

**IMPORTANT DIARY DATE FOR TRAUMA RECOVERY  
NETWORK (TRN) MEMBERS!!**

**TRN MEMBERS MEETING  
MONDAY 12<sup>TH</sup> MAY 10.00AM-12.00PM (finish with lunch)  
@ NICVA (Duncairn Gardens, Belfast)**

This important planning event will assess how TRN can best serve you as the independent forum for conflict related trauma working for justice & healing.

*We believe this a time for TRN to influence strategy and direction in the trauma recovery sector, particularly given the vacuum created by delays in establishing a victims/survivors forum and appointing commissioners.*

**WE INVITE YOU TO CONSIDER THE FOLLOWING**

*If TRN was doing the best job possible for your group/organisation/community of interest, what would that look like?*

*How do you wish to influence TRN's development?*

*Have you one 'big idea', a focussed campaign or action strategy that your group needs support with or that the broader network could help you drive?*

*In addition to our Newsletter, information services, comprehensive database and key issues seminar series.....how could TRN maximise our influence on the Assembly's policy agenda?*

We need your ambition and commitment to strengthen TRN's capacity for mutual support and collective influence. Join us at NICVA on May 12th, 10am-12noon to add your voice to TRN's vision and priorities for the next three years.....with lunch to send you on your way.

We would appreciate your early confirmation to help with room size and lunch orders.

*Kind Regards  
Paula Beattie
